

# OAKS WILL PLAY HOST TO PANTHERS

## A&M Wins Top Float Trophy

Hartnell A. and M. combined floats took the Goodfriend Jewellers' trophy awarded for the best float in the Homecoming Day parade, Armistice Day. Honorable mention went to the Newman Club for their flower-bedecked float. Awards were made during half-time ceremonies at the game.

### 8,000 SPECTATORS

More than 6,415 adults, students and children paid admission to the game. Added to this, student body cardholders, game pass holders, and season ticket holders make an approximate 8,000 spectators. It was the largest crowd to witness a football game at the Salinas stadium.

An interesting fact is that only 7,500 saw the Stanford-Montana game at Palo Alto last week.

### DYSLE OUTSTANDING

The Homecoming dance, featuring the Philharmonic Eight, turned out to be one of the outstanding and most successful dances of the year. At intermission time Queen Honey Harris and her attendants, Betty Warren, Janice Lund, Karen Hansen and Dorothy Curtis, were introduced.

Intermission activities included the presentation of the Football Award to the outstanding player of the day, Ed Dysle. This trophy was given by the Alumni Association.

## Poster Painting Done by Art Club

Beginning next week, poster work for the various school organizations will be done by the Art Club for a slight charge.

Specifications for poster requests should be turned in on regular forms for the convenience of the students who are doing the work. The forms are available in room 31.

Posters and other advertising jobs will be done for general student body affairs as usual.

## College Choir To Present Musical Program Nov. 22

A musical program will be presented by the college choir under the direction of Miss Vivian Stewart in the Little Theater on Monday, November 22, at 12:15 p.m.

Opening the performance will be Bob Cancellieri, tenor with three Neopolitan songs, followed by Elsie Bassi, playing "Maid With the Flaxen Hair," and "Jamaica Rhumba." Mary Rodriguez, soprano, will sing "Kiss Me Again," and Cole Porter's beautiful "Smoke Gets in Your Eyes."

Miss Mollye Smith, alto, will be next on the program with "My Love's an Arbutus" and "Oh, No, John!"

A newly formed organization within the choir is the Madrigal singers with Beverly Silva, soprano; Dorothy Curtis, alto; Robert Jensen, tenor; and Don Keeney, baritone. They will sing two old English numbers, "In These Delightful Pleasant Groves" and "Robin Goodfellow."

A piano duet will be played by Virginia Garcia, and Elsie Bassi featuring "Night and Day." Accompanists for the choir will be Jayne Barrick and Connie Olivete. All students not having classes are invited to attend.

A Christmas program is also being planned on December 7 with selections from the Messiah with solists Jensen, Keeney, and the Misses Silva, Curtis, and Rodriguez. They will be assisted by the college choir.

Fred Waring's "Night Before Christmas" will be done by the college choir. It is expected that small caroling groups will wander through the halls of Hartnell Christmas week singing for classes.

## Turkey Run Is 2 Miles

Men! Get your track shoes out of the mothballs. On November 24, the Wednesday before Thanksgiving, there will be a Turkey run, sponsored by the Men's Club. Coach Ed Adams is laying out a two-mile cross country run that will keep things moving at a fast pace.

All men are eligible, and the lucky winner will be presented with a live and healthy turkey, with only one obstacle to be overcome after the race is run, the turkey must be taken home, and when the opportune moment comes, if his fate is to be a platter, he must be finished with his gobblings.

So that the girls will not be completely ignored, there is a possibility of a half-mile run for the girls, but instead of a turkey the winner will be presented with a live rabbit. This should start the girls in training for the traditional Sadie Hawkins' Day next semester. This event should be outstanding.

## Football Suits Inferior; New Ones Promised Free

New uniforms worn by the Hartnell Panthers this year have already ripped and some of the jerseys have developed runs, although the uniforms were supposed to be of the highest quality, said Coach Bob Robinett at Monday's commission meeting. But because of the inferior quality of these suits the manufacturers have promised to give new uniforms to Hartnell next year free of charge.

The coach asked for \$1,000 to provide for additional football expenses.

The budget for football programs is running short, Mr. Stuart Dufour announced. He has overdrawn that account and needs \$80 for the Monterey game programs.

The commission appropriated enough money for the band to at-

## 3 Hartnell Deans To Participate In NCJCA Meeting

All three deans of Hartnell College will participate in the Northern California Junior College Association fall meeting to be held at Berkeley, December 4.

Mr. Henry Cassady, dean of lower division, is vice-president of the association. Dr. Luella Hall, dean of general college, will be the chairman of a section meeting on American History, and Mr. Claud Addison, dean of the occupational division, will be chairman of the section meeting on business during the afternoon.

Some of the highlights of the day will be talks by Dr. John L. Lounsbury, president of the association, and Herman Spindt, director of admissions at the University of California.

Colleges being represented at the meeting include Santa Rosa, Sacramento, City College of San Francisco, Stockton, and Modesto.

## Game Set Early This Afternoon

Menlo Junior College, rated as the greatest "B" division football club in N.C.J.C.C., will be host to Hartnell College Panthers today in a daytime game on the Redwood City turf. The kick-off is set for 1:45 p.m.

Hartnell, shaken by a conference defeat last Thursday by the San Francisco City College Rams, will again be trying to get into the winning column by defeating the mighty Oaks. Coach Bob Robinett this week stressed special work on defense and the sharpening up of offensive plays.

Menlo Oaks boasts a very good record of not losing a N.C.J.C.C. contest since 1942. Second defeat in 26 games was when they lost to the highly-touted Stanford Frosh team by a score of 27-6.

### DEFEATED LAST YEAR

Last year Hartnell was defeated by the Menlo Oaks, 20-0. This year Coach Bob Robinett hopes to get revenge, and also to get back the ol' spittoon that the Menlo Oaks took from Hartnell Panthers last year.

Head Coach Roy Hughes of Menlo has an excellent T-formation squad, paced by the running and passing of Earle Hassell, quarterback. Speed merchants will include Bobby Newman, Richie Loomis, Ken Daoust and Tommy McCormick, all-city from Poly (SF), while Lowell Brukett is one of the league's top punters.

Hartnell Panthers will again depend upon the line composing Jim Morrison, Len Diederichs, Ed Dysle, Tom Phillips, Bob King, Bill Key, and backfield men Ed Brown, Doyle Burnett, Jim Cordial, and Jim Echeveria, Mike Hodar and Ev Skrine.

### TERRIFIC LINE

A terrific Menlo line, headed by all-conference Herb Lane, end; Burt Delevan, all-city tackle of Sacramento; Fred Field, all-city tackle from Lowell (SF); Earl Rogers, all-city center from Poly (SF); George Johansen, all-city guard from Mission (SF); Jim Yaeger, all-P.A.L. guard from Sequoia (Redwood City); and Bob Kennedy, last year all-N.C.J.C.C., will all be there to give the Panthers a very bad time.

Menlo has defeated Yuba, Marin, Vallejo, Placer, Santa Rosa, and John Muir. The only defeat was by the Stanford frosh team.

Hartnell also boasts a record

(Continued on Page 3)

tend the Menlo game and also \$1 each for the band members' lunches. They also set the game time Thanksgiving Day with Monterey at 12:30 p.m.

## Watch Class Schedule Next Wednesday

Next Wednesday, the day before the Thanksgiving holidays start, has been announced by President John B. Lemos as a minimum day. Following is the time for classes:

Class —	Time —
8	8-8:45
9	8:50-9:35
10	9:40-10:25
11	10:30-11:15
12	11:20-12:05
1	12:10-12:55
2	1-1:45
3	1:50-2:35

## First Concert Heard by Students

First concert of the 1948 season sponsored by the Hartnell College music department was presented Friday, November 12, in the men's gymnasium. The program was enjoyed by those attending. The program presented was as follows:

1. Brahms' "Fantasie," arranged by W. M. Coburn.
2. "Concerto in A Minor" for piano and orchestra, by Jean Williams. Connie Olivete, soloist, with Hartnell Singing Strings. "Allegro Con Brio," "Largo Molto Cantabile," "A la Tarantella."
3. "In Silent Night," Brahms.
4. "Czech Dance Song," folk tune.
5. "Cindy," American folk tune. Hartnell College chorus, Miss Vivian Stewart, director.
6. "Star Dust," arranged by Sopkin.
7. "El Choclo," Villoldo.
8. "Voices of Spring," by Johann Strauss.
9. "In Central Park," "Fun on the Mall," Edmund Severn, Hartnell Singing Strings, directed by Lorell McCann.
10. "The Long Day," Sullivan.
11. "Eight Bells," Chantie.
12. "Old Man Noah," Bartholomew. Hartnell College Glee Club, Miss Vivian Stewart, director.

This same program will be presented December 7, in the Choral Room of the Salinas Union High School.

## EDITORIAL

College activities and spirit seem rather quiet after the previous week's hustle of Homecoming affairs. A two-day Thanksgiving vacation will give us all an opportunity to catch up on that much needed sleep—or is that what was troubling the rooting section at the San Francisco game?

Comments have not been on the favorable side for the Hartnell section at that game. The football players themselves felt they did not receive the needed support. This was the time school spirit should have been at its peak.

Our yell leaders are out there to keep the section organized. But with the co-operation they got at the Homecoming game, it made a spiritless bunch of jabbering rooters.

For those rooters who must make a spectacle of themselves, maybe we could install one of those "glassed-in" sections they have in the movies for squalling babies. We know from previous games and rallies that we can have a rooting section with spirit and pep. Let's show Menlo what Hartnell can really do this afternoon!

## McCann to Conduct County Symphony

Monterey County Symphony Orchestra will present a concert Tuesday, November 23, at the Sunset Auditorium in Carmel.

Professional musicians, teachers, music directors and advance students of music throughout the area are brought together under the baton of Conductors Lorell McCann and Clifford Anderson.

The members of the organization have been practicing once a week, for the past few months, and the fruits of their practice will be the "Mozart Symphony," which is the beginning of the winter concert series.

### SOLOIST FROM SALINAS

Soloist is Miss Norma Wiley, lyric soprano from Salinas. She will present an aria from "Marriage of Figaro" by Mozart, "The Letter Song" from Carmen and three movements from Mozart's Symphony in G Minor. "Awak-

## Rhumba to Ragtime In Dance Class

It's the same dance floor, the same phonograph is grinding out the music, and many of the same people are dancing. But that is where all similarity between the dancing at 9 o'clock on Monday and Wednesday and the dancing at 12 o'clock on Tuesday and Thursday ends.

Miss June Handley's social dancing class has been doing folk dances and ballroom dancing. Included is a bit of everything from rhumba to ragtime—waltz, fox-trot, and jitterbug.

Under the direction of Faye-Lee Schneider, the noon dances are getting better all the time; and anything from a waltz to a fancy jitterbug step is welcomed. So come on out and enjoy them. If you are a good dancer, this is the place to show it; and if you don't know how, this is a good place to learn.

## Little Monsters Lead Intramural Ball Play

After the completion of six intramural basketball games, the Little Monsters are leading the field of five for the intramural championship. The Little Monsters have thus far won three consecutive games and have lost none. They evicted the Vinos, 23-11; Hiserman's, 23-20; and Pi Delts, 29-15.

Tied for second place are the Vinos and the Pi Delts, each losing one game and winning one game. The Sand Dabs with two losses and no victories and Hiserman's with one win and two losses, complete the league.

## WEE GEE

By ANNABELLE

Last Friday was the quietest this campus has seen in years. No noise in the halls and even the cafeteria just wasn't up to par. Could the ladies and gentlemen in the office still be giving out certain blue slips?

Even if the student body isn't expecting a free day today for the Menlo game a busload of rooters and the college band will be representatives at the tilt. Here is hoping they lead the team home with a victory.

**Deft Definitions** — Psychologist: A man who, when a good-looking girl enters a room, watches everybody else. Egotism: An anesthetic that nature give to a man to deaden the pain of being a darn fool. Canapés: A sandwich cut into 24 pieces.

To be congratulated is the music department for the concert presented a week ago. More of the same should follow soon. With about three times as many voices in the men's glee, Pomona could run into competition.

Coming into circulation are the new "Bop" glasses. They really are something to squint through. Speaking of Bop and Be-Bop, has anyone been able to comprehend the newest conglomeration of music. It is the thing down Southern California way and Dizzy Gillespie is master of Bop and his trumpet.

Next week brings a two-day holiday. The time when turkey is king of the table and the Panthers are pitted against the mighty Monterey Lobos. Game time is 12:30 o'clock. All rooters should be in fine spirit before the game and plenty hungry afterwards.

Wee Gee could make a prediction at this point but it gets mighty dangerous when certain recent predictions actually come true. Could be those Menlo rooters will be after a few people's scalps—maybe they will make it back home tonight.

## Former Students' Ratings at Cal

Former students of Hartnell College now at the University of California at Berkeley have earned a 1.38 grade point average which is .38 below their average here.

There are five students, however, who received higher point averages at Cal than they did here at Salinas. They are Shannon D. Brunges, Santa Cruz; Martha Murakami, Pacific Grove; Ralph "Bud" Sarmiento, Seldad; and William A. Thacker, Monterey.

## Cordial Heads Newman Club

Jim Cordial, president of the Newman Club, wishes to thank all who gave their time to help make the float for the parade. This float was given honorable mention as the outstanding float of the parade. A special thank you is extended to Lorraine Hansen who donated the begonias that contributed to much to the beauty of this float.

There will be a December meeting in which an interesting discussion will be held on a topic of interest to all the members. This will be an open discussion in which all members are urged to contribute ideas and arguments.

Officers elected to lead the

## Get Acquainted With Your Library Today

One of the facilities open to students who wish to study or read is the college library. Students should take advantage of getting acquainted with the library where they have access to all books on the shelves or in the stock room.

Always there to help out the new as well as old students are two librarians, Miss Luella Wiens and Miss Lucille Bresnan. They are usually at the desk ready to answer any questions

or give information on the use of the card catalog, reference books, or reserve books.

The library reading room is open daily from 8 a.m. to 5 p.m., and Mondays and Wednesday from 7 to 9 p.m. in the evenings. Overnight books can be taken out only after 3 o'clock. Now all reserve books can be checked out ahead of time by signing the card in the book.

### OVERDUE FINES

Library slips, obtainable at the desk, are needed for the reserve books and magazines because they are always in large demand. If a student fails to return his book promptly, a fine of 5 cents a day or hour will be due on the book. Overdue notices will be posted on the main bulletin board or in the daily bulletin.

### CLASSIFIED

All books in the library are classified in the Dewey Decimal System, which is a numerical arrangement of the books on the shelves. Use this "call number" as well as the author and title when asking for a book.

Also of use to the student is the card catalog. This file gives the author, title, and subject index of all the books. The "call number" is found on the left-hand corner of the card.

For further information on library procedures refer to your Panther Handbook.

Remember, if you have any questions or need help in any way consult one of the librarians.

## Amyx Water Colors Will Be Exhibited

An exhibition of water colors by Mr. Leon Amyx, Hartnell College art instructor, is on display at the Carmel Art Gallery from November 16-30. There will be 15 paintings in the exhibit.

The gallery is open from 10 to 12 and 2 to 5 daily except Wednesday.

## Oaks Will . . .

(Continued From Page 1)

of victories over Bakersfield, Stockton, Modesto, Sacramento, Santa Rosa, and San Mateo. Defeats came from Cal Frosh and S.F.C.C.

## WINTER BALL AT RIO DEC. 17

Again this year, the Winter Ball will be held at Rio Del Mar on December 17. The dinner and dance will be formal, and bids will be \$7 per couple.

This event is sponsored by the social activities committee with Honey Harris as chairman. A meeting will be held next week to decide upon a theme for the dance, and to appoint the various committees.

Members of the social activities committee are Honey Harris, Pat Waggoner, Sue Rycraft, Barbara Elkins, Wayne Ingols, Del Deis, John Davies, John Alsop, and Dewey Chambers.

## Art Gallery to Have Photography Exhibit

An exhibition of creative photography loaned by the San Francisco Museum of Art will be displayed in the Art Gallery from November 22 until December 13.

This is one of a series of exhibitions forwarded to Hartnell College by the San Francisco Museum of Art. Further exhibitions will consist of "Landscape Painting," "Masters of Portrait Painting," and "What Is Modern Painting?"

The Art Club urges that all students see these exhibits as they are a specific series of exhibits to acquaint the students with the work that is being performed in the field of art today.

## Westminster Club Elects Officers

Westminster Club policy and plans for the year were discussed at a special Westminster Club meeting last Wednesday. Bernard Tefertiller, newly elected president, presided at the meeting.

Other new officers are Marilyn Hendrix, secretary; and Adair Chattaway, treasurer.

The next regular meeting will be held the second week in December. The Rev. Douglas Ewan will speak on the subject of marriage.

## Ed Dysle Presented Alumni Homecoming Award

Ed "Dyse" Dysle was presented with the Sproles-Alumni trophy given to the most valuable player in the homecoming tilt which was played with San Francisco on Armistice Day. The player receiving this award must comply with the specifications brought up by the alumni of sportsmanship, leadership, and just downright hard football.

This is Ed's first year at the Panther guard post where he also calls the defensive signals against the offensive plays of the Panther opponents. In high school, Ed played a great game at fullback during his four years on the Santa Cruz football squad.

Dysle played one year of frosh ball with the University of Nevada where he was switched to guard in order to use his driving power to more advantage.

Dysle, "The Wanderer," a name that fits him well, then came to Hartnell to continue his education. The scales hit 210 when he steps aboard, and this combined with a lot of ability make him a hopeful all-conference candidate. In past games he has been a mainstay in keeping the team going when in a tight spot.

An award of this type is usually awarded to a grid star who is expected to go a long way in future years on the gridiron. Last year the award was presented to Russ Bohlke whose injury has hospitalized him for the last two months.

In the past this award has been

ED DYSLE

to show the player the appreciation of the alumni for his great ball playing during the Homecoming game.

### Hartnell Rated Ninth in National Football Poll

Hartnell College is rated the ninth best junior college football team in the nation, according to the Paul Williamson Football Rating Table. The rating included the game with the City

### Bohlke Chosen Captain Of Alumni Squad

Russ Bohlke, former Hartnell College athlete, has been chosen as honorary captain of the alumni basketball team which will play the Hartnell College varsity on December 3, at 8:15 in the men's gym.

Russ, who left Hartnell last spring to play football for the University of California Bears, received a broken neck in practice. The injury left him paralyzed and he is still recuperating in the Berkeley hospital.

Those chosen to represent the alumni in the annual affair are: Jack Abeloe, Bob Bello, Jim Blinkenberg, Bill Cavalli, Winston DeMars, Dean Dillingham, John Eastman, Jim Emerson, Sid Gadsby, Verne Gutierrez, Gerald Hansen, Jerry Hoagland, Richard House, Finis Jeffers, John La-sich, Charles Lee, Irving Parker, Bud Pierson, Ernest Scattrini, Dan Vidovich, Dick Wallace, and Ray Marnach, who will act as team manager.

College of San Francisco.

Mr. Williamson conducts his poll from New Orleans and it is distributed over the United Press Feature Syndicate. It includes most of the junior colleges in the country. City College of San Francisco is rated sixth.

Duluth Junior College of Duluth, Minnesota, is rated tops in the nation. Compton, rated third, and Chaffey, rated twelfth, were the only other California colleges rated in the first 15.

## City College Rams Beat Panther In Thriller, 20-7

Playing before 8,000 fans, the largest crowd ever to assemble in the Salinas stadium, the San Francisco City College Rams, led by Ollie Matson, handed the Hartnell Panthers their first conference defeat, 20-7. The victory the Rams' string of triumphs to six conference wins without a defeat and gave them undisputed possession of the "A" Division league lead.

From the opening kick-off, it

DOYLE BURNETT

was a battle of the lines until midway through the second period. There the Panthers began a sustained drive that resulted in a score with Ed Brown tossing to Ev Skrine for the six points and Jim Cordial adding the extra point.

But the Rams struck back rapidly and only 10 plays later Gilford crashed over from two yards out to tally for the visitors. The conversion attempt was no good and the Panthers left the field on the long end of a 7-6 score at the half.

The second half started much the same as the first with both teams fighting the other to a standstill and forcing each other to punt and try to force the other back to his own goal. But it was one of these punts which turned the tide for the Rams and gave them the margin of victory.

When Mike Hodar's punt was partially blocked, Ollie Matson took it on the Hartnell 40-yard stripe and after eluding two Panthers, sprinted into the end

zone to give the Rams the lead that they never relinquished.

The Rams scored again in the final period when Bob Toquinto tossed to Matson, who took it in stride and raced another 30 yards to climax the scoring for the day.

Jim Micheletti dropped a pass in the end zone and a touchdown pass from Brown to Bill Whited was called back to aid the Panthers in their defeat. Completion of these two plays might have changed the whole complexion of the game. Doyle Burnett played sensational ball for the Panthers throughout the contest.
